NEXT COLLECTION

La collezione NEXT di ZANABONI EDIZIONI è il frutto di una profonda riflessione sui valori del vivere contemporaneo: ogni prodotto prende origine da una parola chiave, un nome che rimanda alle virtù ed alle qualità del vissuto, valori senza tempo che rafforzano l'animo ed evocano emozioni radicate nel profondo di ognuno di noi.

Nata dalla collaborazione con Castello Lagravinese Studio, NEXT racchiude un'ampia gamma di prodotti dalla forte personalità che dialogano tra loro per arredare spazi intimi o conviviali in un racconto corale dove non è il singolo pezzo ad essere protagonista ma tutto l'ambiente nel suo insieme, per rispondere con eleganza e rigore alle più attuali esigenze dell'interior design di alta gamma. Creatività e pulizia di segno caratterizzano tutti gli elementi della collezione, realizzati plasmando con sapienza i materiali più nobili come legno, marmo, metallo e rivestimenti di altissima qualità, tutto rigorosamente Made in Italy. Ricerca di stile, lavorazioni inedite e riferimenti al mondo della moda, vengono mixati tra loro per dare origine ad accoglienti sedute, contenitori e complementi versatili, lampade ed elementi decorativi che ridisegnano gli spazi dell'abitare, adattandosi alle diverse esigenze del quotidiano.

CASTELLO LAGRAVINESE STUDIO

Accomunati dalla passione per il design e la moda nel 2008 Alessandro Castello e Maria Antonietta Lagravinese fondano Castello Lagravinese Studio. Fin dal loro debutto, collaborano come Designer e Art Director con importanti aziende nel mondo del mobile contemporaneo e luxury, realizzando prodotti e collezioni di chiara ispirazione sartoriale unite alla cura minuziosa del dettaglio. La cura e l'attenzione al progetto e la voglia di rompere le regole del design, guardando al passato con occhio ironico e spesso irriverente: sono questi i fattori che li contraddistinguono e che li spingono a mettersi sempre in discussione, cercando strade poco battute, che spesso si dimostrano anche le più innovative. Curiosi verso ogni aspetto del design, nel loro lavoro non si limitano al disegno del singolo prodotto, ma amano costruirgli un mondo attorno, fatto di immagini, accessori e atmosfere.

The NEXT collection by ZANABONI EDIZIONI is the result of a thorough reflection on the values of contemporary living; each product has its origin in a key word, a name that refers to the virtues and qualities of life, timeless values that strengthen the soul and evoke emotions rooted in deep in each of us. Born from the collaboration with Castello Lagravinese Studio, NEXT contains a wide range of products with a strong personality that interact with each other to furnish intimate or convivial spaces in a choral story where it is not the single piece that is the protagonist but the whole environment as a whole, in order to respond with elegance and rigor to the most current needs of high-end interior design. Creativity and neat lines characterize all the elements of the collection, made by skillfully shaping the noblest materials such as wood, marble, metal and top-quality coatings, all rigorously Made in Italy. Style research, original workmanship and recalls to the world of fashion are mixed together taking form in welcoming seats, versatile storage units and accessories, lamps and decorative elements that redesign living spaces, adapting to the different needs of everyday life.

United by the passion for design and fashion, in 2008 Alessandro Castello and Maria Antonietta Lagravinese founded Castello Lagravinese Studio. Since their debut, they have collaborated as Designer and Art Director with important companies in the world of contemporary and luxury furniture, creating products and collections inspired to the world of tailoring, with meticulous attention to detail. The care and attention to the project and the desire to break the rules of design, looking at the past with an ironic and often irreverent eye: these are the factors that distinguish Castello Lagravinese Studio, and that push them to always question themselves, looking for little-traveled paths, which often prove to be the most innovative. Curious about every aspect of design, in their work they are not limited to the design of the single product, but they love to build a world around it, made up of images, accessories and atmospheres.
