SQUARE

Square è l'archetipo del divano. Forme essenziali monolitiche promettono di durare nel tempo, anche grazie all'utilizzo delle pregiatissime pelli che gli conferiscono un piacevole effetto vellutato al tatto. Square è disponibile anche in tessuto sia nella versione classica che nella composizione con chaise longue.

Design by MARIO RIVOLTA

MIAMI

Impossibile non rimanere incantati dal design senza tempo della poltrona Miami. L'eleganza di questo modello riecheggia attraverso l'abbinamento dei materiali e la ricchezza dei dettagli che la contraddistinguono. Un elemento unico rivestito in pelle o tessuto sfoderabile poggia su una struttura in legno massello disponibile sia in noce canaletto o faggio laccato nero. Lo schienale rivela un rigoroso pattern geometrico costituito da cinghie in pelle che si ritrovano anche sulla base della seduta.

It is impossible to miss the charm of the Miami armchair timeless design. The elegance of this model echoes through the match of the materials and the richness of the details that distinguishes it. One solid piece upholstered in removable leather or fabric placed on a solid wood base available both in canaletto walnut or black lacquered beech. The backrest reveals a rigorous geometric pattern constituted by the leather belts that also decorates the base of the seat.
