PITAGORA

design **Marco Corti**

La rigorosità delle forme compatte contrasta con la morbidezza delle imbottiture e con l'ampia e confortevole seduta. La rifinitura in tondino di metallo che percorre la lunghezza alla base del divano è un prezioso dettaglio di carattere dallo stile contemporaneo.

The rigorousness of the compact shapes contrasts with the softness of the padding and with the wide and comfortable seat. The metal rod finish that runs along the length at the base of the sofa is a precious detail of character with a contemporary style.

È la rappresentazione più avvenieristica del concetto "sistema divano". Componibile, progettato con forme aperte e generose, armoniche, con gli schienali removibili ma in appoggio stabile grazie alla fattura con appositi pesi, è un invito a giocare con le proprie esigenze per configurarlo a seconda di ogni occasione.

It is the most futuristic representation of the "sofa system" concept. Modular, designed with open and generous shapes, harmonious, with removable backrests but stably supported thanks to the construction with dedicated weights, it is an invitation to indulge your needs to configure it according to the moment.

ZENIT WALL | PLUS

design **Andrea Arena**

Un sistema componibile che si declina, a parità di ingombri e modularità, su due filoni strutturali diversi. Lo Zenit Wall è caratterizzato da una seduta monoblocco, mentre lo Zenit Plus ha i cuscini di seduta che poggiano su di un basamento imbottito. Le diverse tipologie di schienale e la varietà di configurazioni possibili, arricchite da accessori come la libreria o i tavolini dedicati, fanno di Zenit un sistema con cui è possibile rispondere alle esigenze funzionali e stilistiche più disparate.

A modular system splitted, with the same overall dimensions and modularity, on two different structural lines. Zenit Wall version is characterized by a monoblock seat, while the Zenit Plus version has a seat cushions resting on a padded base.
The different types of backrest and the variety of possible configurations, enriched by accessories such as the bookcase or specific coffee tables, make Zenit a system with where is possible to find the most disparate functional and stylistic needs.

Armonia, discrezione, morbidezza, accoglienza.
Si potrebbe ancora continuare nel trovare riferimenti che possano descrivere questa poltrona, disegnata da una linea che si insegue dolcemente, senza mai interrompersi. Super avvolgente, come un abbraccio. Non è una semplice poltrona, ma un microcosmo di comodità che ti accoglie e protegge dopo un'intensa e lunga giornata.

Harmony, discretion, softness, hospitality.
There are endless references to describe this armchair designed by a line that follows itself gently, without ever stopping. Enveloping gentle like a hug, it is not a simple armchair but a microcosm of comfort that welcomes and protects after an intense and long day.

LADY

design **Marco Corti**

Elegante e discreta nei volumi, Lady è l'elemento perfetto per impreziosire tutti gli ambienti votati al comfort. Il design si esprime con una semplicità pratica e la struttura in legno si contrappone armoniosamente alle parti imbottite. Dettagli funzionali ma di grande appeal sono il cuscino lombare e i braccioli con la parte terminale in metallo, assolutamente decorativa, che richiama i piedini.

Elegant and compact, Lady is the perfect element to enhance all environments devoted to comfort. The design is expressed with a practical simplicity and the wooden structure harmoniously contrasts with the upholstered parts. Functional details but of enormous appeal are the backrest cushion and the armrests with the metal end part, completely decorative, which recalls the feet.
